

## Special Occasion Cocktail Hour

### A cocktail hour instead of a party

Hold an intimate 'family and friends only' cocktail hour in honour of a special occasion. This is a great way to come together and, as it is for a predetermined time, it is an economical way to celebrate and still make the event special.

In the evening, the private function room at the front of the resort, looks out over the twinkling lights of the village and to the boats anchored in the bay. Full height concertina doors the length of the function room open on to an outdoor verandah capturing the refreshing evening summer breezes.

The arrangement of fairy lighting, candles and colour washes create an enchanting and intimate atmosphere perfect for drinks and canapés. A private cocktail hour is a fun but relaxing way for everyone to mix and chat and toast the occasion in comfort and privacy.

Phone us to discuss holding a private cocktail hour to mark a special occasion or even for your family group or friends to meet prior to going to dinner.

It makes a really great surprise present for one of your loved ones - birthday, graduation, anniversary ...*and they thought you forgot!*
